

CADENCE

# ENRICH YOUR BUSINESS DIALOGUES

## WITH TAILORED LANGUAGE SOLUTIONS

### About Us

Cadence is a leading language solution provider to the global investment and business community, with both language and due diligence in the company's DNA.

For almost a decade, we have been empowering investors, analysts, and consultants across the globe to talk business across the language barrier, anytime and anywhere.

### Why Cadence

- 10 minutes Response Time
- 30+ Supported Languages
- 2000+ Certified Professionals
- Bespoke Services

01

#### Moderation & Calls

Our linguists have a strong niche in due diligence and finance spaces, driving investment-driven dialogue.

*"Having a Cadence linguist on a call allows me to capture nuances and grasp all mosaics for my investment decision. It's always an efficient and top-notch quality experience."*

*Hedge Fund Analyst*

*"Moderation service helps save my time speaking with multiple experts in the market. Cadence provides top-tier moderators who understand our research purpose and capture the essence of discussions."*

*Expert Network Associate*

02

#### Transcription & Translation

Well-versed linguist team adopts front-end technologies to deliver customizable research-ready insights.

*"Excellent work in translating our materials, especially the technical jargon. I am pleasantly impressed by the quality and the response speed of the Cadence Team."*

*Partner at Venture Capital*
